

SPECIFICATION AMENDMENTS

Please amend the specification as follows:

Amend the Title of the Application as follows:

~~Multipurpose Data Input/Output and Display Configurations for a Data Processing Device Apparatus~~

Delete the heading “**BACKGROUND OF THE INVENTION**” which is listed after ¶[0001].

Amend the heading before ¶[0002] and ¶[0002] as follows:

Technical Field of the Invention

[0002] This ~~invention~~ application relates generally to the field of data processing devices [[.]], and more ~~More~~ particularly, ~~the invention relates a~~ to versatile input/output display configurations for a data processing device.

Amend the heading before ¶[0003] as follows:

~~Description of the Related Art~~ BACKGROUND

Substitute ¶[0010] as follows:

A better understanding of ~~the present invention~~ Display Configurations for a Data Processing Device can be obtained from the following detailed description in conjunction with the following drawings, in which:

Amend the heading before ¶[0026] as follows:

~~DETAILED DESCRIPTION OF PREFERRED EMBODIMENTS~~
